

## Valley Art Center Workshop Scholarships: In Memory of Kathleen Bellamy

Kathleen Bellamy was never an artist! Far from it! But during her 95 years she encouraged **so** many people to be the best at whatever they chose to do, especially when art was concerned!! In her memory the Valley Art Center is pleased to offer a scholarship to someone in financial need.

- Each person may apply for one workshop per year for half of the workshop's cost - the winner for that payment will be chosen through a random drawing of names from those who submit a request. All requests must be submitted at least six weeks prior to the start date of that workshop.
- The money will be moved to the chosen workshop with names of people who submit requests kept confidential.
- This offer is open to anyone that requests financial help to take a workshop, whether a member of the Valley Art Center or not. We would hope that the recipients would gladly join, but it is not a prerequisite.
